CLUB BOOK RESULTS

During the Morgan County Fair, on Wednesday the 28th, 4-H Clubs had the opportunity to turn in their club books from the year for judging. This includes their Secretary Book, Treasurers Book, Community Pride Book, and Scrapbook. These books are the records that are kept by their respective elected officers for the 4-H Year. The 4-H Year runs October 1 – September 30.

In the Secretary Book Contest, Travelers 4-H Club placed 1st; Weldon Valley 4-H Club, 2nd; Morgan Sandburs 4-H Club, 3rd; Winning Edge 4-H Club, 4th; Wildcat, 5th. Long Meadow 4-H Club, and Snyder Pioneers 4-H Club also entered into the Secretary Book Contest. The Champion Secretary Record Book award is sponsored by FMS Bank.

The Treasurer Book Contest had four entries. Placing 1st is Lads N Lassies 4-H Club; Travelers 4-H Club, 2nd; Winning Edge 4-H Club, 3rd; Wildcat 4-H Club, 4th.

Clubs that enter their Club Scrapbook all receive a \$20 gift certificate from Impressions By Bird and Leader's Advisory Committee to use towards future scrapbooks or other stationary for their club. The clubs that exhibited scrapbooks at the 2021 Morgan County Fair were Snyder Pioneers 4-H Club, Wildcat 4-H Club, Trailblazers 4-H Club, Winning Edge 4-H Club, Lads 'N' Lassies 4-H Club, Weldon Valley 4-H Club, and Wiggins Cornerstone 4-H Club.

Our final area that clubs can enter is Community Pride. Each club completes a minimum of one community service project each year, and the Community Pride contest allows the clubs to develop a book showcasing their community service. This years' winner of the Community Pride award, which is sponsored by KSIR Radio, is the Lads N Lassies 4-H Club.

All of these books are on display in the Mark Arndt Event Center at the Morgan County Fair Grounds for the remainder of the 2021 Morgan County Fair which is held July 30-August 5.

###

Colorado State University Extension is your local university community connection for research-based information about natural resource management; living well through raising kids, eating right and spending smart; gardening and commercial horticulture; the latest agricultural production technologies and community development. Extension 4-H and youth development programs reach more than 90,000 young people annually, over half in urban communities.
