For Immediate Release

CLOVERBUDS RESULTS

While 4-H members have to be 8-18 to compete at the Morgan County Fair, there was still fun to be had for the Cloverbud Members, ages 5-7 in Morgan County 4-H. The overall purpose of the 4-H Cloverbud Program is to foster the development of life skills that are essential for the cognitive, social, emotional, and physical maturation of five to seven year old children.

Cloverbud members have the opportunity to attend monthly workshops held at the Extension Office where they do activities, such as learning about STEM or completing a craft. These members also attend monthly club meetings where they also do activities. On Interview Judging day these members had the opportunity to enter in a project that they had completed during the year, and get interviewed just like the older members do.

Most of the youth chose to display the shirts that they made during the 2023 Cloverbud t-shirt workshop, which they had the opportunity to model during the Fashion Revue on Monday, July 24th. Cloverbuds that displayed their t-shirts were: Dante Heisler, Iris Hunter, Jace Lambert, Luke Lambert, Lincoln Lozier, ZJ Lozier, Hadley Martens, Delaynie Piper. The Cloverbud projects will be displayed in the Mark Arndt Event Center at the Morgan County Fair Grounds in Brush for the duration of the 2023 Morgan County Fair which ends August 3rd.
