The 2025 State Syllabus is available. For specific project requirements, please look at the project syllabus <https://col.st/E0bqq> or you can find it in the Quick Links on the 4-H Record Book page of the Morgan County website at <https://morgan.extension.colostate.edu/4-h/records/>. For project descriptions go to: <http://co4h.colostate.edu/program-areas/colorado-4-h-project-information/>.

## 4-H Project Workshops

We are planning some project workshops for the 2024-2025 4-H year. These may include Leather Craft, Scrapbooking, Cake Decorating, Clothing, Foods & Nutrition, Quilting, Sport Fishing, Outdoor Adventures, Photography, and so many more. We are always looking for instructors willing to help out as well. If you know of someone that has a skill set related to any 4-H project please let us know.

## New to 4-H and not sure what to expect?

**Newsletter:** Your enrollment in 4-H automatically subscribes you to this newsletter that focuses on Morgan County 4-H. Watch the front of the newsletter for information and events that may be pertinent to you. Flip to your section for specific news, events, deadlines and rules. Current and past editions are available on the Morgan County website at <http://morgan.extension.colostate.edu/4-h/newsletters/>

**Email:** We use mass email to send reminders of upcoming opportunities, workshops, deadlines and more. Many opportunities and news items that we receive from the State 4-H office and other counties may miss our newsletter deadline, and those are also passed on by email. Please let us know if you change your email address. Also, the newsletter is our primary way of getting information to you. We will send a mass email the day the newsletter goes to print to every enrolled member and leader. The email will have a link to the newsletter and instructions on how to find it on the website. If you would like to be mailed a paper copy, please call Jamie at 970-542-3540.

**Club Meetings:** Are you in touch with your club leader to find out when your club meetings are? Try to attend as many meetings as you can so that you can get involved, make friends, and learn more about your projects. All clubs have requirements as to how many meetings you need to attend, so make sure you are aware of that number.

**Manuals:** Be sure to ask your club leader or the Extension office if you need a project manual. These manuals were designed to help you learn more about your specific project. TIP: For additional help, try to find out if your club has any project leaders that can help you. Colorado4h.org also has tip sheets for most projects. Click “Projects and Record books”. Scroll to the middle of the page and click “Tip Sheets”. If you have already picked up your manuals for the year, please stop by the office to pick up labels for your manuals that include our Non-discrimination statements.

**Livestock Weigh In:** Are you taking a livestock project? If you plan to show a market animal (one that will be fed out, shown and possibly sold) you’ll need to be sure to check the newsletter for information about livestock weigh-in or nomination. All market beef, market goats, and market lambs must be weighed in on the specific date listed to be eligible for the Rate-of-Gain contest. Market swine must be tagged by the specific date listed. Market rabbits and poultry require a paper ID’s turned in by the specific date.

**Website:** Check out our local Morgan County website at <http://morgan.colostate.edu/> or the state 4-H website at [www.co4h.colostate.edu](http://www.co4h.colostate.edu). We also have a 4-H Facebook page, just search for Morgan County Extension, on facebook.com and then “Like” to follow our updates.

## COUNTY ‘Member in Good Standing’ POLICY

Just a reminder that Morgan County and Colorado 4-H have a “Member in Good Standing” policy. As written in the state policy manual, a member in good standing; abides by the 4-H Code of Conduct, meets deadlines, attends the number of club meetings set by each club, and completes at least one project.

To complete a project, members are required to:

1. Participate in a 4-H related (subject matter or audience) demonstration or other speech-arts presentation.
2. Participate in a 4-H sponsored community service activity,
3. Participate in 4-H General and Family Consumer Science project interview, and
4. Complete any county level requirements

While this state policy has always been in effect, the county has really had no way to determine a member’s level of participation. Effective October 1, 2015, all club leaders are required to sign off on every member’s participation before county fair and at the end of the 4-H year. All members must meet county/state policy as well as club policy (if applicable). Members not in good standing may not be able to participate in certain county, state or national events.

## What is community service?

Webster's Dictionary defines community service as "work that is done without pay to help people in a community." What does this mean in the 4-H world and what is classified as appropriate community service? It is any event or opportunity where the club can go out into the community to perform good deeds. This can include: working at the food bank, cleaning trash in a cemetery, visiting a nursing home, or putting together care packages for soldiers. It does not include: donating money to an organization, club fundraisers, volunteering for 4-H events at fair or raking leaves in your family's lawn. It is encouraged that you do community service through your club's annual events but, if circumstances arise that keep you from doing so, make sure you coordinate with your club leader to ensure that what you are doing falls into the community service criteria and that you will still be in compliance with the club bylaws. Remember, community service is a requirement to be a member in good standing and a HUGE aspect of 4-H is serving those around you!

## How do I choose my projects?

There are lots of resources to help you choose your projects. You can ask 4-H leaders for help. You can come to project workshops scheduled throughout the year. You can call the 4-H Agents and you can talk to other 4-H members about their projects.

## Considerations in Selecting a 4-H Project

- ◆ Select a project you like
- ◆ Select a project that can be completed
- ◆ Consider the costs (check the State Fair Exhibit Requirements to estimate cost)
- ◆ Consider the space and equipment that will be needed
- ◆ Consider parental support for the project
- ◆ Be aware of the opportunities for growth in the project
- ◆ Select only the number of projects that you can complete
- ◆ A 4-H project should be fun, serve a purpose and be worth the effort!

In addition to the guide, talk with other members, leaders and 4-H staff to learn more about the project.

## Considering New Projects for 2025?

The new State 4-H Project requirements is available and is posted at the following website: <https://co4h.colostate.edu/program-areas/state-fair-information/>.

All the requirements to complete FCS and general 4-H projects will be listed in this online booklet. The Morgan County Fair Book will follow those guidelines.

## What is a Self-Determined Project?

The self-determined project is designed for 4-H members who have an interest in a topic that is not included in the 4-H Project List. Self-determined projects include these county projects that are not offered as state projects: Child Development, Crops, Model Horse, Pocket Pets, Weeds, and Welding.

If you wish to re-enroll in a self-determined project, use the project name next to "self-determined." For example: Self Determined/Pocket Pets.

County projects are not eligible to qualify for state fair.

# Judging Opportunities

## Judging Opportunities for 4-H Members

Judging is a great opportunity for 4-H members to improve decision making, communication, problem solving and time management skills in a fun, team-oriented setting. Members do not have to be involved in any specific project to take part in judging programs. Some potential benefits of judging include college scholarships, opportunity to travel, personal and team awards. Check out one or more of these judging opportunities!

- **Consumer Choices Judging & Consumer Bowl**

Did you know that you are a consumer judge every time you buy something? Come join us and learn fun ways to become the smart and savvy shopper you know you are! In Consumer Choices Judging you will learn standards of quality for goods such as backpacks, toys, clothing, food, and much more, and then practice making comparisons. There are opportunities for Senior members of top placing teams to travel to national level contests. Consumer Choices is open to all senior 4-H members and in any project. For more information contact Katie at [katie.seelhoff@colostate.edu](mailto:katie.seelhoff@colostate.edu). Interest will determine meeting dates and times; however, we'd like to start in early in 2025.

- **Parli Pro**

Parliamentary procedure provides a framework that encourages all members to have an equal voice in their club. The 4-H club model provides an excellent forum for youths to experience, practice, and effectively use life skills that will allow them to be successful in living productive and satisfying lives. Leading or participating in a club business meeting gives members an opportunity to plan, evaluate, discuss ideas, and set goals—all important life skills.

The members of the Morgan County Parliamentary Procedure team will compete at the State Conference in June 2025 where they will conduct a mock meeting and demonstrate their knowledge of correct Parliamentary Procedure. For more information or if you are interested contact Aimee at [coopext\\_morgan@mail.colostate.edu](mailto:coopext_morgan@mail.colostate.edu). Practice date and time will be determined based off interest but will begin early in 2025. Also, looking for adult volunteer to coach.

- **Meats Judging**

The Morgan County 4-H Meat Judging Team will begin practices soon. 4-H meat judging includes retail cut identification, judging classes of cuts and carcasses, and giving reasons. You don't have to be enrolled in a livestock project or know anything about meat or meat judging, you just need to be willing to learn. Practices will be held in preparation for the state contest held in late April/early May. If you are interested in participating please contact Marlin Eisenach at 970-542-3545 or [marlin.eisenach@colostate.edu](mailto:marlin.eisenach@colostate.edu). Also, looking for adult volunteer to coach.

- **Livestock Judging**

Workouts for Livestock Judging normally start in early March. Generally, the team will also compete in several county contests prior to the State contest in June, held in conjunction with the State 4-H Conference in Fort Collins. Team members will learn livestock evaluation skills for beef, goats, sheep and swine. Top placing teams have the opportunity to participate in national level contests. For further information contact Marlin at 970-542-3545 or [marlin.eisenach@colostate.edu](mailto:marlin.eisenach@colostate.edu). Also, looking for adult volunteer to coach.

- **Horse Judging**

Learn the basics of how to evaluate a horse shown in halter and performance as well as give oral reasons to an official judge justifying how you placed a specific class of horses. If you demonstrate a passion for horses and an eagerness to learn, this is for you. There are 4 competitions in the state to participate in. Contact the Marlin at [marlin.eisenach@colostate.edu](mailto:marlin.eisenach@colostate.edu) more information. Also, looking for adult volunteer to coach.

# Livestock

## Premises ID

Premises identification will provide quick and accurate traceability of livestock and locations in the event of an animal health concern, which will help maintain the health of all Colorado livestock. For this program, a premises is defined as a location or site where livestock are born, handled, housed, managed, marketed, processed, or exhibited. Premises ID is managed by the Colorado Department of Agriculture.

For the 2024 – 2025 project year, 4-H members with livestock projects (beef, dairy, goat, horse, sheep, swine, poultry, and rabbit) are strongly encouraged to obtain a Premises ID. It is required to exhibit at the Morgan County Fair and

Colorado State Fair. It is also required for other livestock shows.

If you don't already have a Premises ID, you can obtain one by going online to Colorado Location Identification (LID) Registration Form at <http://col.st/tzSZP>.

## Animal Care and Housing Form

All 4-H members with animal projects will be required to have a completed, signed and approved animal Care and Housing Form for Colorado 4-H Livestock Projects form on file at the Extension Office.

This form will be provided in two ways:

1. 4-H online for those that have their animals at their place of residence and
2. on our 4-H Website <http://morgan.extension.colostate.edu> for those that have their animals some place other than their residence.

If your animal project is housed at your place of residence you filled out this form while filling out your paperwork during the enrollment process online.

**If your animal project is not housed at your place of residence then you will need to go to our 4-H Website, print the Animal Care and Housing form and fill out both sides of that form and turned back in to the Extension Office yearly by the Primary Care date.** This gives us additional information about your specific situation and helps with the approval process. Please give us detailed information or we will send them back for you to adjust your comments.

Talk to your club leader, or contact Marlin at 542-3543 if you have any questions.

## MQA Certification/Recertification Program

Public confidence in our meat products is extremely important to the success of the livestock industry. Youth livestock projects play an important role in building or losing the trust of our consumers. It is important that youth livestock exhibitors exceed the standard in producing quality, defect-free livestock for our consumers.

These self guided workshops allow for hands on learning and experience. There will be different stations pertaining to the 10 Good Production practices set up at each location and you will have the chance to observe and learn with real supplies and equipment. Allow yourself one hour. Parents please attend with your youth under 14 years old.

**The Meat Quality Assurance (MQA) dates for Morgan County will be May 12 and 13, between 4:30-6:30 p.m. at the Morgan County Fair Grounds, 4-H Building. If you are new to 4-H livestock projects, you are required to participate in the training the first year of your project.
