For Immediate Release

CLOVERBUDS RESULTS

While 4-H members have to be 8-18 to compete at the Morgan County Fair, there was still fun to be had for the Cloverbuds Members, ages 5-7 in Morgan County 4-H. The overall purpose of the 4-H Cloverbuds Program is to foster the development of life skills that are essential for the cognitive, social, emotional, and physical maturation of five to seven year old children.

Cloverbuds members have the opportunity to attend monthly workshops held at the Extension Office where they do activities, such as learning about STEM, completing crafts, and making snacks. These members also attend monthly club meetings where they also do activities. On Interview Judging day these members had the opportunity to enter in a project that they had completed during the year, and get interviewed just like the older members do.

Most of the youth chose to display the Fashion Freedom shirts that they made during the 2025 Cloverbuds T-shirt workshop, which they had the opportunity to model during the Fashion Revue on Monday, July 21st. Cloverbuds that displayed their t-shirts were: Neal Heyman, Sawyer Kraft, Lincoln Lozier, and Victor Lozier. Some Cloverbuds also chose to display other items such as birdhouses, bracelets, and a homemade wand. These projects were displayed in the Mark Arndt Event Center at the Morgan County Fair Grounds in Brush for the duration of the 2025 Morgan County Fair which ends on July 31st.
